## PUBLIC HEALTH CONSIDERATION

All outdoors (in-person) courses will be conducted with due consideration of the ongoing public health conditions and regulatory guidance, and See Change Education retains discretion to adapt the delivery of classes as needed.

Given the improved COVID-19 situation in Hong Kong and increasing uptake of vaccines, the 4-Week Science Camp will be conducted using in-person instruction, though of course with all required and prudent safety and health precautions. If the health situation in Hong Kong changes shortly before or during the program, we will adapt the teaching arrangements and/or venue as required to ensure the health and safety of students and instructors.

Venue (in-person classes): See Change Education retains discretion to re-assign to equivalent venue, if the original facilities become unavailable.

## TERMS & CONDITIONS

- Booking based on first come first served basis, due to a high volume of bookings, we can only confirm your reservation once full payment has been completed.
- Class fees cannot be refunded or transferred.
- Makeup class is not applicable for all seasonal workshop, competition workshop, private class and holiday camp.
- Once scheduled, class arrangements are final. If a student cannot attend a class, we will not be able to reschedule, accumulate, or refund the class.
